

PRIVACY POLICY

IMPORTANT READ CAREFULLY

Enerdrive Pty Ltd ("us", "we", or "our") built the Enerdrive ePRO app (the "Service") as a Free app.

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data.

Information Collection And Use

The Service is used to collect and show system data received from one of our hardware devices via a Bluetooth connection.

Types of Data Collected

Personal Data

We are not collecting any personal data, like user names, email addresses or phone numbers. The Service is designed in a way that no personal data is needed for correct operation.

Usage Data

No Usage Data is collected.

Tracking Cookies Data

No Tracking Cookies are used.

Use of Data

The data received from the hardware device is shown in real time on the Service' Main screen. This data is not stored on the device running the Service and will be lost once the Service is closed or shut down.

Transfer Of Data

The data is not transferred to any location other than locally inside the Service.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
